Center brings them together in a social, comfortable and services-rich environment where they share experiences and build friendships while benefitting from a daily routine that keeps them active and engaged.

ACCOMPLISHMENTS: Circle Center Adult Day Services, one of first 100 adult daycare centers in the nation, celebrated 40 years of compassionate and innovative services in May 2016. Its most significant achievement in recent years was its January 2009 move into its own facility, following a successful \$2.7 million capital campaign, purchase of a 26,000 square foot building and extensive renovation of 15,000 square feet of space, with the potential to expand into another 11,000 square feet of space. In February 2015, with the success of another initiative, the Center renovated 5100 square feet of this space and after a successful licensure inspection, is now licensed to serve 130 participants per day. The Center has long set the standard for care in the entire region and is Virginia's most comprehensive in terms of services, its long service week (Monday through Friday 7:30 am to 5:30 pm on Saturdays from 9:00 am to 5:00 pm), its state-of-the-art facility and its programs for caregivers.

Circle Center participates in the CCC+ program, a new initiative, long term care system-wide transition to managed care for those both Medicare and Medicaid eligible which serves additional previously

The Center brings together families from all socio-economic groups.

Since 1980, the Center's Scholarship Program has provided full or partial scholarships for those who may otherwise not be able to afford services. In 2017-18, \$311,839. scholarship funds were provided by foundation and corporate grants and gifts from individuals. Circle Center collaborates with many other agencies around its daycare and caregiver services. Circle Center staff are called upon by other adult day centers, other health and human services agencies, employee assistance programs, and information services agencies, employee assistance programs, and information and referral programs addressing eldercare concerns. The Center has an active undergraduate and graduate student intern program with seven local and out-of-state universities.
