Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Notes to Financial Statements June 30, 2018

Note 1 – Nature of organization

The Henrico County Court Appointed Special Advocates, Inc. (Organization) is a non-stock corporation committed to advocating the best interests of children involved in the Juvenile and Domestic Relations District Court process. The CASA program recruits, trains, and supervises competent volunteers dedicated to representing the needs of abused and neglected children, as well as other children in juvenile dependency proceedings. The program promotes safe, permanent homes for children and seeks to educate the community concerning the needs of abused and neglected children. A significant level of annual financial support is provided through the government award programs which require CASA to adhere to certain compliance requirements.

Note 2 - Summary of significant accounting policies

Method of Accounting

The financial statements of Henrico County Court Appointed Special Advocates, Inc., have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Basis of presentation

Under FASB ASC 958, *Non-Profit Entities*, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. These classifications are based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations, and are available at the discretion of the Board for use in the Organization's operations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that will be met either by actions of the Organization and/or passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement activities as net assets released from restrictions.

Permanently restricted net assets - net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization, and only the income is available as unrestricted or temporarily restricted, as per endowment or donor agreements. Currently the Organization does not have any permanently restricted net assets.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments originally purchased with a maturity of three months or less to be cash equivalents.

Note 2 - Summary of significant accounting policies (continued)

Investments

Investments are composed of debt and equity securities. Investments in marketable securities and in debt securities with readily determinable fair values are reported at their fair values in the statement of financial position. Fair values are based upon quoted market prices. Donated investments are recorded at fair value as of the date received by the Organization.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Donated contributions are recorded at the fair value on the date of the gift.

All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Donated services, equipment and facilities

Donated facilities, equipment, and/or services are included in contributions, at fair market value as of the date of donation.

The Organization's volunteers comprised of business professionals and others committed to the Organization's mission have made significant contributions of their time to the Organization's program and supporting services. The value of such volunteers' services has not been reflected in the accompanying financial statements as it does not meet the criteria for revenue recognition. Volunteers hours unrecorded in the financial statement amounted to approximately 15,503 for the year ended June 30, 2018. The Organization recognizes donated facilities as support. This support is based upon use of office space as provided to the Organization by the County of Henrico at no cost. The value is recorded as income and expense in the Statement of Activities. The value is based on the current rental value of office space and amounted to \$37,000 for the year ended June 30, 2018.

Other donated services were recorded at fair market value totaled \$2,400 as of June 30, 2018 and are included in the Statement of Activities.

Income taxes

The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the internal Revenue Code respectively, and is not considered a private foundation within the meaning of section 509(a) of the code. In addition, Henrico County Court Appointed Special Advocates, Inc., qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation. The Organization's income tax returns are potentially subject to examination by the Internal Revenue Service generally for three years after being filed. The Association has no uncertain tax positions for the current year or prior year.

Property and equipment

Property and equipment is carried at cost and depreciated under the straight-line method over the estimated useful lives of the assets, ranging from five to seven years. The Organization capitalizes equipment purchased with a cost exceeding \$500. Any expenditures under \$500 are expensed as incurred. Donated equipment is recorded at fair market value.

Note 3 – Concentration of credit risk

From time to time during the year, the Organization may exceed insured limits. Notes to Financial Statements June 30, 2018

Note 5 – Temporarily restricted net assets

Temporarily restricted net asset balances are available for programs as designated by the donors for events or programs.

Total net assets released from restrictions totaled \$107,503 in 2018 related to purpose and time restrictions.

Note 6 - Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through August 28, 2018, the date the financial statements were issued.

Note 7 - Fair value measurements

The Organization records fair value adjustments to certain assets and liabilities to determine fair value disclosures. The fair value of certain assets and liabilities is an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants.

Three levels of the fair value hierarchy are as follows:

Level 1 - Valuation is based on quoted price in active markets for identical assets and liabilities.

Level 2 - Valuation is based on observable inputs including quoted prices in active markets for similar assets and liabilities, quoted prices for identical or similar assets and liabilities in less active markets, and model-based valuation techniques for which significant assumptions can be derived primarily from or corroborated by observable data in the market.

Level 3 - Valuation is based on model-based techniques that use one or more significant inputs or assumptions that are unobservable in the market.

All investments and liabilities were measured at fair value by level one valuation, because they generally provide the most reliable evidence of fair value

Note 8 - Future accounting pronouncements

In August 2016, *Financial Accounting Standards Board* (FASB) issued Accounting Standards Update, (ASU) No. 2016-14, "Not for Profit Entities: Presentation of Not-for-Profit Entities", which both simplifies certain aspects of reporting required by non-for-profit organizations and increases disclosures with a goal to improve the usefulness of non-for-profit financial statements to the various stakeholders, including management, directors, lenders, and donors. Significant changes include the following: replaces the existing three classes of net assets, with two classes of net assets, net assets with donor restrictions, and without donor restrictions; requires all not-for-profits to provide expenses by nature and function; requires expansive disclosures of information about liquidity and availability of resources.

The amendments are effective for fiscal years beginning after December 15, 2017.
